

03rd July 2020

Chung Wah CAC's Correspondence COVID-19 Update (Issue No. 27)

❖ Latest Updates from Australian Government (as of 2nd July 2020):

- Phase 4 took effect from Saturday 27th June 2020.

COVID-19 WA roadmap Phase 4

Phase 1 Phase 2 Phase 3 **Phase 4** Phase 5 Phase 6

Now (from 6 June)

- Non-work gatherings permitted up to 100 people, 300 for venues with multiple spaces
- 4sqm rule removed, replaced with reduced 2sqm rule
- Full contact sport and training permitted
- Seated service for food businesses and licensed premises
- The following reopened with conditions:
 - galleries, cinemas and theatres
 - gyms and other fitness studios
 - beauty salons, spas and wellness centres
 - playgrounds and play centres
 - Rottneet Island, zoos and wildlife parks

27 June

Gatherings

- All existing limits removed
- Limits now only determined by WA's reduced 2sqm rule
- The 2sqm rule includes staff only at venues that hold more than 500 patrons
- Optus Stadium, HBF Park and RAC Arena to operate at 50 per cent temporary capacity

Businesses

- Unseated service permitted at all food businesses and licensed premises
- Gyms can operate without staff present
- Casino gaming floor reopened, with temporary conditions
- Unseated events, performances, live music, concerts permitted, except for large scale multi-stage music festivals

18 July*

2sqm rule no longer applies

REMOVAL OF REMAINING STATE GOVERNMENT RULES.

WA hard border and access to remote Aboriginal communities

WA's border removal will be considered based on best health advice, taking into account infection rates over east.

Stay vigilant, protect yourself and others

- Avoid close contact with others**: 1.5m, Practise physical distancing
- Healthy hygiene**: Wash your hands regularly, Cover your mouth/nose when you cough/sneeze
- Download the COVIDSafe app**
- 2 square metre per person capacity rule for WA venues**

We're all in this together.

❖ What CAC is doing:

- Our CAC Team has been on 'super mode' this week to prepare for our Balcatta Hub's Reopening Day **Monday 6th July 2020**, our teams are busy preparing and getting our Hub ready for our seniors and NDIS participants. Moreover, we are very excited to announce that our Willetton Hub will be resumed on **Monday 20th July 2020**. Should you wish to resume your centre attendance either at Balcatta, Willetton or both, please contact your case coordinator today! If you never attended our centre before and would like to attend now, you are more than welcome to contact us at 08 9328 3988.
- While we are overwhelmed with happiness that WA Government is doing so well and CAC is now able to reopen our Communit Hubs, we would like to remind everyone the importance of continuing to follow all necessary cautions to prevent the spread of COVID-19 in our community. In addition, we would like to ask for your participation to adhere to our updated response plan below:

Relevant Event	Action by Clients	Action by CAC
Contact with someone who recently returning from interstates and/or overseas	1. Notify CAC	If CAC is providing services, CAC staff will be required to wear Personal Protective Equipment (such as face mask and gloves).
Contact with a suspected/confirmed case of COVID-19 person	1. Notify your local GP or hospital 2. Notify CAC 3. Follow instructions from relevant medical authority	CAC staff who have been in contact with a suspected/confirmed case of COVID-19 must self-isolate for 14 days or until a negative test is available. Relief staff will be appointed to affected services. If CAC is providing services, CAC staff will be required to wear Personal Protective Equipment (such as face mask and gloves).
Not feeling well in general	1. Notify your GP and/or seek medical treatment 2. Notify CAC and suspend attendance to community hub 3. Wear facemask during in-home service delivery.	CAC staff are directed not to come to work if they are unwell or display any flu-like symptoms. Relief staff will be appointed to affected services. If CAC is providing services, CAC staff may be required to wear suitable Personal Protective Equipment.

We have and will continue to put in place all necessary prevention measures recommended by the Australian Department of Health to ensure the safety and wellbeing of our staff and clients. While social distance might not be applicable for certain services that require close distance to support individuals with high-fall risks (or low mobility), our staff will remind and assist clients to practice social distancing with other members in the community.

❖ **How you can help to prevent the spread of coronavirus:**

- Go about your business as usual, remain calm and use common sense.
- Protect yourself through quality personal hygiene like you would in the winter flu season – this includes covering coughs and sneezes, washing hands often with soap or sanitiser and staying away from work or school if you are unwell.
- Continue to follow the advice of health authorities - anyone instructed to self-isolate by a doctor or medical professional must take the request seriously, stay home and not put others at risk.
- Know the facts by sourcing accurate information, from credible sources such as the Department of Health (<https://www.health.gov.au/resources/collections/novel-coronavirus-2019-ncov-resources>).
- Download COVIDSafe app to your mobile phone as it helps users to identify if they have come into contact with someone who has coronavirus and users can give the information to relevant health authorities (<https://www.health.gov.au/resources/apps-and-tools/covidsafe-app>)

Everyone plays a part, we are all in this together!
