

Chung Wah CAC's Correspondence COVID-19 Update (Issue No. 26)

❖ Latest Updates from Australian Government (as of 26th June 2020):

- Phase 4 will take effect from Saturday 27th June 2020.

Phase 4 of eased restrictions will take effect in WA on Saturday 27 June

- Limits removed for all gatherings**
 Note: the 2sqm per person capacity rule remains in place
- Food and drink service for standing patrons will be permitted**
- Gyms will be able to be open** without staff present
- Unseated performances permitted** at venues including concert halls, and live music venues
- Major events can occur** in line with remaining restrictions
 50% capacity rule applies for Optus Stadium, HBF Park & RAC Arena

Phase 5 is expected to start on 18 July. It will remove remaining State restrictions except WA's hard border with the eastern states and travel to remote Aboriginal communities

Please continue to exercise physical distancing and healthy hygiene

❖ What CAC is doing:

- “Sometimes you will never know the value of a moment until it becomes a memory” – this nostalgic feeling hit us hard as we came together to celebrate the Dragon Boat Festival. It brought us back to many happy memories from our event last year, we shared and laughed about how busy we were to make sure the event run smoothly, and how much we have missed seeing our seniors and NDIS participants.

Despite all the minor setbacks due to COVID-19, our CAC teams are more determined to provide better services and deliver more educational yet entertaining programs to our consumers and participants. With more than a week to go until our Balcatta Hub's reopening day (**Monday 6th July 2020**), our teams are busy preparing and getting our Hub ready for our consumers' return. Should you wish to resume your centre attendance, please call your case coordinator today. We will see you very soon!

- Eventhough we are moving to the phase of COVID-19 WA Roadmap, it is very crucial that all of us continue to follow all necessary cautions to prevent the spread of COVID-19 in our community. These include hand hygiene, sneeze & cough etiquette, keeping social distance (2m² per person), and download COVID-19 Safe App. Chung Wah CAC has and will continue to put in place all necessary prevention measures recommended by the Australian Department of Health to ensure the safety and wellbeing of our staff and clients.

(Social distance)

(Daily Temperature Check)

❖ **How you can help to prevent the spread of coronavirus:**

- Go about your business as usual, remain calm and use common sense.
- Protect yourself through quality personal hygiene like you would in the winter flu season – this includes covering coughs and sneezes, washing hands often with soap or sanitiser and staying away from work or school if you are unwell.
- Continue to follow the advice of health authorities - anyone instructed to self-isolate by a doctor or medical professional must take the request seriously, stay home and not put others at risk.
- Know the facts by sourcing accurate information, from credible sources such as the Department of Health (<https://www.health.gov.au/resources/collections/novel-coronavirus-2019-ncov-resources>).
- Download COVIDSafe app to your mobile phone as it helps users to identify if they have come into contact with someone who has coronavirus and users can give the information to relevant health authorities (<https://www.health.gov.au/resources/apps-and-tools/covidsafe-app>)

Everyone plays a part, we are all in this together!
